

To all our dance students!

Welcome to a new semester at Steps Dansestudio 😊

Below you will find important information regarding the spring semester of 2019.

RULES

In order for everyone to get a positive experience from the dance classes, we ask that you read through the rules that apply here at Steps.

- 1) Always arrive in time before the class starts. If you arrive late, ask the teacher if you can attend the class. The first warming up exercises are very important to help prevent injuries.
- 2) Shoes that have been worn outside are not permitted in the dance studios.
- 3) Chewing gum and food is not allowed during the class.
- 4) Mobile phones must be switched off. Filming is not allowed.
- 5) Course participants will be staying inside the dance studio during the class. Guests and parents can wait in our reception/seating areas.
- 6) Remember to eat before the dance class. It is hard to learn on an empty stomach!
- 7) Remember to bring a good mood 😊

DRESS CODES

Read more about our dress codes for the various dance classes on our website or ask your teacher.

INFORMATION FOR THE TEACHER

If you or your child have any allergies, illnesses or other special needs that the dance teacher should know about, please contact us as soon as possible. Please send an email and mark it with your name and student number.

TRANSPORTATION/PARKING

Steps Dansestudio is located at Mariero in Breidablikkveien 3B - next to Meny Helgø, and in the same building as SR-Bank. Here there is free parking and very good connections with both trains and buses. You can use parking slots around the entire building, but not those labeled with "Studio Slettvoll".

Arrival and departure:

For safety reasons, we appreciate if you avoid driving down to the front door.
Take care of each other 😊

Idling:

We ask everyone who brings and picks up students at Steps to avoid letting the car go on idle. Steps has students with asthma who get ill from the exhaust. (Exhaust is not good for anyone's health, but it is especially bad for people with respiratory diseases.) The parking spaces in front of the building are very close to the studios that have windows facing the road. We often have open the windows and need fresh air! You are warmly welcome to come in and wait indoors 😊

Reflex:

We encourage all our students to use reflexes as long as it is still dark. We have had some almost collisions, so be careful 😊
